FEBRUARY 2022

“And let us not be weary in well doing: for in due season we shall reap, if we faint not”

Galatians 6:9

Greetings from the Kingdom of Cambodia where the Kingdom of heaven is at hand. Savoeun and I hope you are all doing well and growing in our Lord's Service.

The above picture is a real testament of our Lord's faithfulness to bring us through these most difficult times. This is our youth group, now twice the size, and reenergized in the Lord's service. These little evangelists brought in souls from their own neighborhood and one of our students moved to a new area and brought in her new friends from her new neighborhood. After teaching and evangelizing the new ones for a month we had each of them stand up in front of the Church and give their testimony of their faith in Jesus. We baptized fifteen of these new believers this February.

The Covid-19 strains swept through Cambodia, one after another throughout 2020 and 2021 with lockdowns and many restrictions. Thankfully we were still able to meet but often with just 15 in the Church at a time. Still in all we never missed a Sunday. The Omicron variant has already swept through our area and schools here are back in session. The Lord really rewarded us for keeping the work going and growing even in these difficult two years.

We all thank you for your faithful love, prayers and gifts that we may keep up the good work right through until our Lord calls us to heaven. Until then we want to be here to receive each and every one who accepts Jesus as their personal Savior.

In Christ's Service to the Cambodian People,

Glenn and Savoeun Colley
