## MAY 2022

**“And Jesus went about all the cities and villages, teaching in their synagogues, and preaching the gospel of the kingdom...” *Matthew 9:35***

Savoeun and I send you our greetings this month from both the DaNgow Church here on the outskirts of Phnom Penh and from the remote Villages of Svay Rieng province.

Our Lord Jesus began his ministry preaching in Capernaum of Galilee. After His meeting in the Capernaum Synagogue Jesus healed Peter's mother-in-law. Others who had sickness were healed all that evening. Early the next morning Jesus proclaimed to his disciples that they would all be leaving for the towns and villages of Galilee on a preaching tour. “Let us go into the next towns, that I may preach there also, for therefore came I forth” (Mark 1:38).

Jesus is not only our Savior but also our great example in reaching out to the Villages in remote areas. Jesus was so compelled that he even proclaimed in this verse that that was why he came forth.

It is in this Spirit that we did all the work to get our Bible School out to the Villages once again. They have been faithful throughout two years of coronavirus infections and we want to be faithful to bring them through to the other side. The students were delighted to meet and study and they all did great on their exams.

**When the Village students have finished writing their exam they come forward to recite their memory verse and the names of the 12 Apostles**

We all thank you for your prayers, love, and gifts that the work here may go forward for the Honor and Glory of our Lord Jesus and for the needs of these faithful saints serving Jesus in these remote areas. I have already written and am packing up our next Bible School on the book of Exodus for June and July.
