

Lunow Update October 2022 / Cultivating CHRIST Communities / Jon & Sherri Reporting

Recently we had the joy of reconnecting with many of you dear supporting friends, families, churches—thank you for the fellowship, encouragement, generous gifts, and partnership in God’s work over many years! This trip was cut short because of Dan Lunow (Jon’s dad) failing health, his asking for us, and moving him to nursing home for extra care. He rallied when we arrived, and is stable & comfortable. Thank you, KS & TX supporting churches, who released us to go to Dad. We plan to visit you spring 2023. Prayers for dad appreciated!

In the Philippines (previously lived/served 1994-2010) we partner with Jessie & Maricel (Lupon House Church) who continue to reach out in evangelism & discipleship to the people around them. Please pray with us for Mark & Jonah and their families/neighbors, who are willing to gather & listen to God’s Word—that the seed will grow to decisions of faith! Prayers for God’s protection & provision too!!

Recently the Jesus Film has been dubbed into the Sougb language with Sougb voices of our people. They’ve already held public showings to thousands of Sougb in West Papua. The film is available on micro sd cards or downloaded from the internet. This is a great tool as the tribals already have a visual-story worldview. Sougb outreach reports: Barens in Warganusa (Bomerai Peninsula) on-site ministry begun, needs small house built. Yustus & Makarius in both Anagasi and Manimeri (Bintuni Bay area) continuing evangelism & discipleship, needing boat/motor for travel and small church built. Beni & Merika in Bomerai, outreach to Muslim and Baham tribes started, needs small house built. Questions? Comments? Contact us!
