

Lunow Update November 2022

PRAISE: Dad Lunow comfortable, stable, adjusting in the nursing home where he receives needed care, although growing weaker and getting closer to his 'heavenly home', he was allowed a day visit with family in his 'earthly home' Ft. Mill SC and enjoys these visits greatly (wife Barbara, daughter Marie, granddaughter Hannah, son Jonathan, grandson Adam); son Matthew from PA and daughter Lorraine from HI recently visited, with plans for more of us family members to visit as able.

PRAYER: See I Thessalonians 5:23-25, For Dad to feel God's peace, love, care amidst changes & struggles, and to trust God's timing for home-going. Also, prayer for Marie undergoing a surgery mid-December, asking God for quality procedure, quick recovery, and complete healing!

PRAISE: Sougb young people (Papuan) gather around God's Word with Chronological Bible teaching curriculum, learning to know and follow Jesus, many of these small groups functioning for a few years, many getting started, missionaries & church leaders helping, connected with the churches in West Papua Indonesia, planted years ago by Dan & Barbara and their disciples. Now Jon & Sherri working to help, encourage, strengthen the next generation to know & follow Jesus through these Bible groups, including helping/partnering with the Sougb missionaries Dan & Barbara sent out.

PRAYER: See Ephesians 6:10-18 & John 8:31-32, for these Papuans to stand firm in Christ, continue the faith, stand against Satan's schemes, hold to Jesus' teachings, know the truth and freedom in Christ!

PRAISE: Urias Ahoren, first & leading Sougb missionary with his family, bringing Christ to other peoples in West Papua Indonesia, is pictured here (left) bringing Christ to a young man (right) who accepted and believed in Jesus, right on the ferry boat during travels from Bintuni to Babo, thank you LORD!

PRAYER: See 2 Thessalonians 3:1-5, for Urias, family, and all Sougb missionaries (15 units in varied locations throughout West Papua) and the people they serve, for God's continued protection and provision in bringing Christ to those who are asking, including needed boats, motors, buildings (home/church) in the new areas, plus finishing a boarding house in Babo for ministry income. Thanks to those of you responding from our October Update with asking and giving for these needs, such a blessing! LORD willing Jan/Feb 2023 Jon & Sherri will be in Indonesia to help with on-site travels to, and purchase of, boats, building materials, etc—it is culturally best for us to physically handle the money & materials together with the missionaries who need what, where, when, how regarding these projects, and Urias confirms this is a must! Urias & Missionaries send YOU their thanks and pray for YOU also!! THANKS for giving so generously to the needs, THANKS for praying, BLESSINGS on you all!!!
