It's because of these two men pictured left, Hank Bock below,
and Dan Lunow above, men who obeyed God's call to bring
CHRIST to the mountain tribes of West Papua Indonesia, that
the Gospel came and transformed lives, starting in 1955 with
Hank & Margie Bock, trekking interior, building a house near
Anggi Lakes, language learning, Bible translation, teaching
CHRIST, facilitated by Pat Fillmore arriving 1958, then baptizing
the first 8 Sougb believers in February 1963 (Hank, Margie, Pat,
in heaven now). Then Bocks had to leave, and in 1969 Dan &
Barbara Lunow & kids arrived to continue the work of CHRIST
among the Sougb people—Bible translation, church planting,
training Christian workers, including national missionaries sent
out. Now we, Jon & Sherri, after serving 16 years in the
Philippines with house church ministry, now also help the
Sougb missionaries & churches in West Papua. Jan.26th—
Mar.22nd we'll be traveling there, bringing Wayne & Joyce
Raychard, pictured left in front of Jon, spiritual children of
Hank, representing him in the Feb.10th celebration interior.
Sherri, Wayne, & Joyce return to USA Feb.18th. Jon stays on to
help with projects—motorboat, boarding house, buildings,
livelihood—and Bible group visits. Thanks to all who gave!
