

## Lunow Update March 2023

In **2 Corinthians 9:10-11** (NASB) Paul encourages the believers, *“Now He who supplies seed to the sower and bread for food will supply and multiply your seed for sowing and increase the harvest of your righteousness; you will be enriched in everything...producing thanksgiving to God.”* **Thanks for the partnership**—Bible Curriculum Team (7 men above)—into new areas asking for more Bible Groups!

This **Chronological Bible teaching** tool is in Indonesian, connected with the local churches, multiplying into 6 different language groups, the materials in Indonesian, the teaching/discussion in their own languages. **God’s Word is bearing fruit!** **The Sougb Missionaries** pictured above left, say **THANK YOU for the project gifts!** Barens with the media supplies & money to build--new area Warga Nusa; Urias with the boarding house Babo--finish bathroom/kitchen/rooms inside for renting; Yustus & Makarius (brothers) with the new motorboat for ministries Bintuni Bay;

Yomi with the newly built chicken farm, also with coffee plantation his son Mikel is managing (photos below); **ALL to generate income and bring CHRIST to others!**

What a surprise when Mikel presented Jon with **harvested/roasted/packaged coffee beans from their own trees** planted 5 years ago! Most are up around Anggi Lakes, and when Jon would ask, “How’s the coffee coming along?”, they would answer, “it’s growing and bearing and we are planting more”, but they kept the rest a surprise!! “Kopi”(coffee)“Anggi”(lake) now needs connections & development for a factory & truck. Our dear friends Kobus Hanas & wife Fatimah, are willing to help with this, visiting West Papua from Jakarta, to be on site, with the Sougb people, getting photos/info (Kobus is Papuan himself, adopted/raised by missionaries in Biak Papua, speaks Biak, Indo, English, etc.), and willing to move this process along! **THANK YOU LORD for supplying!!** **THANK YOU everyone for GIVING & PRAYING!!!** Jon returns to the USA by March 22<sup>nd</sup>; March 26<sup>th</sup> we’ll drive to SC, visit Dad Lunow with photos/reports!

Dad is stable & comfortable in the nursing home, on hospice, but doing alright; **he’s celebrating his 90<sup>th</sup> birthday with family gathered April 24<sup>th</sup>** and we’d love for all who can, to send him birthday greetings/cards! It’s not a surprise, just celebrating LIFE: Dan Lunow 1019 Cranberry Cir. Ft. Mill SC 29715. Thanks!
