JULY 2023

“Go ye therefore and teach all nations, baptizing them in the name of the Father, and of the Son and of the Holy Ghost” Matthew 28:19

“We do hear them speak in our tongues (languages) the wonderful works of God” Acts 2:11

Pictured above is Pastor Reap and I with all the Bible School Materials which I prepared for 27 students to study our August Bible School in the remote ‘Elephant Stable Village’ in Svay Rieng Province. All of our 27 lesson books as well as the Teacher’s Manual are in the Khmer Language and each and every student will memorize his verses from the Khmer Bible in the Khmer language.

Our August 2023 Bible School

Savoieun and I send you our greetings from this hot month of July here at the DaNgow Church on the outskirts of Phnom Penh.

I finished all of our or Bible School Lessons for our August session of the Bible School in the remote Village of ‘Elephant Stable’ in the Svay Rieng Province. The lessons are all complete and Pastor Reap and I boxed up all the supplies, sealed them in waterproof bags and got them tied down on his motorcycle. They will have two great weeks of study and then I’ll be out with them in late August to give them their exams. We look forward to great meetings of preaching and fellowship.

On Tuesday this week I noticed that Pastor Reap’s motorcycle tires were all worn out so I got him all set up with new tires front and rear and new brake drum pads front and rear also. He was very thankful for our help keeping his motorcycle serviceable and safe.

We thank you all for your faithful love, prayers and gifts. It is a lot of work but we are committed to bringing the Gospel forward so that new souls can learn of the Savior and so that the Cambodian students, even in these remote villages, can continue to grow in Christ.
