

Lunow Update February 2024

WEST PAPUA: Boat travels successful to Wasior—town nearest the Mairasi people. Met with leaders of 2 Sougb villages 30km from town, who know some Mairasi, warning of military presence and another religion now claiming them, so best not to visit (Dec.2023).

However, this whole area is like the wild west, and they shared burdens for the town itself, no Christian presence, needing missionaries, and 2 of these young men (above) are willing and asking help for resources and training to start Bible groups there. **PRAY FOR THE SOUGB MISSIONARIES** bringing **CHRIST** to difficult areas, including **GOD'S TIMING & PROVISION**. **SOUTH FLORIDA:** Family Christmas together celebrating **CHRIST** including His beautiful creation and His mission for each of us—Tyler teaching Bible classes grades 10-12 at Judah Christian School, Ellie homeschooling Eva, Levi, Vonna, plus music ministry with church family in Champaign IL; Ethan is Manager of Processing/Production Dept. of InterVarsity Press, Christian books, sharing a rental house with friends in Bolingbrook IL.
