

LUNOW UPDATE APRIL 2024

Cultivating CHRIST Communities—helping people experience, express, expand CHRIST together—thanking YOU our support team for GIVING and PRAYING and BLESSING PEOPLE with CHRIST!!!

- Levi our grandson, was baptized by his dad Tyler, Easter Sunday in Illinois
- Dad Lunow in South Carolina, moved back home, hospice care for final days, Sougb men not able to visit, painting on wall is the first Sougb church leader waiting for him in heaven
- Adam our son, red shirt top middle, encouraging friends/family in Florida—Andrew & George, blue & black shirts, only believers in both families, and our cousin James in the white shirt, he and his wife called to missions In India, going thru many trials as they follow & prepare
- Joel Barber, pastoring Marysville Berean Church family in Kansas, generous supporters since 1998, sharing together
- Sherri fractured her wrist; on the mend

Regarding our move (Jon, Sherri, Adam) back to the Philippines:

- Delayed to early September, more time needed for Adam's job, Sherri's healing, and Jon's travels to/in West Papua Indonesia, June and July, including a week in southern Philippines to meet with house church families and investigate housing for us
- Moved and settled in Davao City as a ministry base will give us greater freedom and cheaper travel to more efficiently respond to the many people who are asking for help, working with the willing, and may ALL be blessed In Jesus' Name! THANK YOU!!
