***“And the word of God increased;
and the number of the disciples
multiplied in Jerusalem greatly;
and a great company of the priests
were obedient to the faith”***

Acts 6:7

This account of the first Church in Jerusalem gives testimony to the saving power of Jesus Christ in the earliest days of the Jerusalem Church. We also give testimony in these last days and from these uttermost parts of the Kingdom of Cambodia that the preaching and teaching of the Word of God continues to bring souls to the Saviour.

Savoeun and I greet you from another wet and rainy month. The rice crops have all been planted and once again the Lord of Heaven has sent the much needed rain for the rice crops needed to feed the people of Cambodia for another year.

This is our fourth Bible School session in the province of Svay Rieng and the students did great in their memory verses and in their exams. The adults who filled the Church after the Bible School was finished were most attentive to the preaching of the Work of God. I preached an excellent message and I was glad that it was so well received. Even the local Village official who attended was moved by the preaching of the Word of God.

I will be in the States in October. Please pray for Savoeun, Mrs. Noj and Pastor Reap who will be caring for the Church while I am away.

May God richly bless your faithful love, prayers and gifts as we continue bringing the Gospel forward to the Cambodian people.
