

Lunow Update September 2025

“After All, who is Apollos? Who is Paul? We are only God’s servants through whom you believed the Good News. Each of us did the work the LORD gave us. I planted the seed in your hearts, and Apollos watered it, but it was God who made it grow...What’s important is that God makes the seed grow...For no one can lay any foundation other than the one we already have—Jesus Christ.” I Corinthians 3:5-11 *Cultivating CHRIST Communities*...

IN MANILA PHILIPPINES: What a privilege to fly up to Faith Academy to be there when Ellie our daughter with husband Tyler and kids Eva (11), Levi (9), Vonna (6) arriving to begin their dorm parenting teaching ministry! Wonderful support team there! Serving well already!

Also, an invitation from Missionaries in Sports Ministry, for Jon’s help with churching, PTL!

IN DAVAO CITY PHILIPPINES: What a privilege being Body of Christ with HCFD (House Church Fellowship of Davao) growing stronger as each part does its work from the LIFE within, PTL!

IN LUPON DAVAO ORIENTAL PHILIPPINES: A branch of HCFD in provincial Lupon, with Quinones families, uniting after 10 years apart (USA&LUPON), serving together now, PTL!

IN WEST PAPUA INDONESIA: Next page you’ll see us arriving in Manokwari, with Anggi mountains behind us, English writing at the airport, and a meeting regarding livelihood...

Praise The LORD for safe travels, language learning progress, livelihood project meetings for forward movement in certain locations, and the Holy Spirit's anointing on connecting with brothers/sisters in Christ for multiple purposes: 1) Progress toward starting a simple English School on the Mission Property in Anggi; 2) Profitable meetings for Sherri with the Sougb Women's Groups, to encourage them. Sherri is appointed Prayer Warrior to receive their Reports (meetings, ministries, Bible sharing, prayer requests). The simple colored beads by Sougb missionary Serina represent different people in Christ, held together by one string of the HOLY SPIRIT; the tunic made special for Sher, is one piece of woven tree bark strands, same as woven net bags they make, give, sell; the hat, woven of dried vetiver grass grown locally, also handcrafted; and the string between Serina & Sherri, eternal connection and physical reminder to return when able; 3) Progress in meetings to connect property owners (lower photo left, bottom 2 photos right) and local churches with new missionaries' support.

IN BINTUNI BAY AREA WEST PAPUA INDONESIA: After we returned to Davao, Sougb missionary Urias Ahoren was able to send us these photos and info that Jon then shared with one of our supporting churches who personally support Urias...

"Hi, we got back from Papua about a week ago. All went according to plan. Except both of us got a bit sick. Nothing new there. We also were able to get that money to Urias. As it turns out, they were on a "Jesus Film" showing tour of the Bintuni Bay area where we have ministry and that donation covered almost all of the expenses for that. They also reported about 10 people receiving salvation as a result of the film-showing. So, it seems to have been quite successful. Thanks so much for your dedication and faithfulness to that part of God's green earth...Blessings on you all!" NOTE: Urias in the green shirt left, the boat they are in with Yamaha motor was provided by you all, including the laptop & projector to show the film; the young man pink shirt left side middle photo is one of the new Sougb missionaries beside the other missionaries at the newest church outpost named "Maranatha"—Come Quickly Lord Jesus!

BACK IN DAVAO CITY PHILIPPINES, OUR HOME BASE FOR MINISTRY: Praise the LORD for excellent and affordable medical care here. In our fellowship, dear brother/sister in Christ, married couple, both doctors, have greatly helped us, sacrificially without cost, to provide what we've needed health-wise, and then recommend us to other doctors helping us now. Jon's back is structurally sound, small misalignment, no surgery needed, managing with simple meds and physical therapy, finding relief. Thanks for praying! THANK YOU, DEAR SUPPORT TEAM, FOR YOUR GENEROUS GIVING AND PRAYING!!! We are here because of your monthly support. Our vehicle is a huge help. Our visa situation however is difficult and expensive. Asking your prayers for additional support only as the LORD would lead you. GOD BLESS YOU ALL; PRAYING FOR YOU ALSO!!!
